The image shows a handwriting practice sheet. It features a large rectangular area defined by a solid black border. Inside this area, there are several horizontal rows of dashed lines, each row consisting of a solid top line, a dashed middle line, and a solid bottom line. The rows are arranged in a staggered pattern, with each row starting further to the right than the one above it. In the top right corner, there is a small black triangle containing the number '3'. In the bottom right corner, there is a small black triangle containing the letter 'C'. The overall layout is designed to help children practice letter formation and alignment.
